### ABOUT ME

I am a dedicated Islamic scholar. I have successfully completed Dawra Hadith and the Mufti course from a Qawmi Madrasa and am also studying at an Alia Madrasa. Currently, I am preparing for the Alim (equivalent to HSC) examination. Alongside my religious studies, I am skilled in website design, cross-platform app development, digital marketing, video editing, and logo design.

### SKILL

- Proficient in website design and development.
- Experienced in creating user-friendly and responsive web interfaces.
- Skilled in building cross-platform applications using modern frameworks.
- Strong knowledge of database management and scalable software systems.
- Experienced in digital marketing, video editing, and logo design.
